December

That's a wrap!
2025 here we come!

For everyone else, December is the end of the year. Here at STS Academy this is only the beginning! The first half of the school year has been fun, but we are ready to keep going!

We are excited to keep moving forward and experience more growth and success in the Spring.

As for now, STS Academy would like to say Happy Holidays, and Happy New Year. And thank you for your support all year long!

*Ugly Knits &
Crazy Hits*
Thank you for your support!

STS Academy would like to say thank you to everyone who came out on December 7th and supported STS Academy at our winter fundraiser.

All donations & earnings go towards the students of Pittsburg, so we also thank you on their behalf.

We always welcome donations of all shapes and sizes. This won't be the last fundraiser you see from us either!

Keep an eye out for 'Taste of the Bayou' in the Spring!

The Learning Center

Dingle Family Farm

Teaching kids is more than just writing & math. We love to teach our students about life and allow them to experience new things; like the petting zoo!

The Dingle Family farm always welcomes STS Academy with open arms! Here students get to meet ducks, chickens, goats, horses, sheep and more! This time around students even got to help with grooming the animals!

During school breaks The Learning Center offers child care from 6AM - 6PM to accommodate the schedule change.

Breaks Include:

Fall Break, Thanksgiving Break, Winter Break, Spring Break, & Summer Break.

Does NOT Include:

Holidays & three day weekends.

Pittsburg High School

Teens 2 Teach - Tutor Recruitment

At the beginning of the school year, we set out to find academically inclined students who wanted to earn community service through our Teens 2 Teach Tutor Recruitment Service.

We are incredibly thankful for the 28 students who worked with us consistently this year!

Each student was placed into 1 of 4 programs that best suited them and their academic background. STS was able to host tutoring opportunities at Marina Vista Elementary, our own Learning Center, and of course Pittsburg High School.

Our students have been a great amount of help not only to us but to the students they have worked with.

And we are even happier to hear many of them are eager to return and continue working in their programs!

STS Academy has rewarded roughly 630 Hours of community service through our Teens 2 Teach Service.

We asked tutors if they took pictures this semester, turns out they were too busy tutoring!

Have an idea for community service?

We'd love to hear about it
