MEET YOUR *new* EXECUTIVE DIRECTOR

I am deeply honored to lead Craft Community Care Center, dba STS Academy. More than twenty years ago, my journey in education revealed a clear need for deeper community support. From that need grew Craft Community Care Center, nourished by the dedication of the many staff and directors who have walked this path with us. Their steadfast commitment to our organization and to the community forms the heart of all we do.

I am especially grateful for the steady guidance of Jim Craft, whose mentorship has shaped our course and strengthened our resolve. As we look to the future, I'm excited to broaden the ways we support families and learners, building on two decades of progress. I believe the next twenty years will be as strong, impactful, and meaningful as the first.

Thank you for the opportunity to serve Craft Community Care Center, dba STS Academy. I am proud to stand with you as we continue to strengthen our community together.
