LOS MEDANOS

Trunk or Treat Fun!

With the help of my boyfriend Steven and one of our leads, Neyladi, our Trunk or Treat event was a big hit! Our theme this year was Spider-Man, and it was such a joy to see all of our after-school scholars enjoying the music, candy, and creative themes that the staff at LME brought to life.

Cooking Class Highlights

Cooking class has definitely made me rethink my calorie count! Chef Chip and Chef Julie have been incredible, bringing fun, flavorful, and creative recipes to the table. Our scholars are having an amazing time learning, tasting, and enjoying every moment of the program.
