

HALLOWEEN NEWSLETTER

HIGH SCHOOL PROGRAMS

DRIVER'S EDUCATION

Our Driver's Education program has had a successful few months, with strong student registration and students making progress toward completing the course. We're proud to celebrate students who have earned their completion certificates and look forward to helping more high school students build safe, responsible driving habits.

TEENS2TEACH (T2T)

Our Teens2Teach program continues to support foundational learning and provide students with meaningful academic support. As we begin a new T2T round, we're looking forward to an even stronger start and continued growth in foundational learning.

STUDENT AMBASSADORS

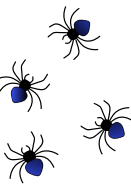

Our Student Ambassadors have been promoting programs, making announcements, and serving as an on-site presence at the Teen Center. Their leadership and outreach help keep students informed, involved, and connected.

TEEN CENTER: GROWING TOGETHER

We've been seeing improved attendance and have built a core group of students who come to the Teen Center every day. We're still growing, but we're proud of the progress we've made and excited about where the program is headed.

The Vibe Check — Student highlights, fun moments, and Teen Center updates

Teen center is open
every day Monday
through Friday hot food
is served every
Mondays and
Wednesday and snack
days are the remaining
days !!!
